Dear Friends,

The Department of ENT, Fortis Hospital, Mohali, in association with All India Rhinology society takes great pleasure to host Otorhinolaryngology; Surgical Conclave-2023 at Chandigarh on 29th to 30th April, 2023.

This conference will provide you with the unique opportunity to enhance knowledge and update yourself with the latest advance in the surgical field of Otorhinolaryngology. A galaxy of well renowned surgeons in the respective fields will be performing live surgeries.

Highlights of the conference would include Live Surgery sessions, one to one interaction with the operating faculty, panel discussions and poster presentation.

Chandigarh, the 'city beautiful', one of the best planned city designed by Le Corbusier is famous for Nek Chand's Rock Garden, Rose garden, Terrace garden, shopping malls and food courts. The city at the foothills of the Shivalik range is the gateway of many nearby hill stations like Shimla, Kasauli, Chali and Dharamshala besides is proximity to the world famous Golden Temple of Amristar. Chandigarh is well and directly connected by air, rail and road to all cities of India.

On behalf of the organizing committee, we assure you a scientific feast and a very memorable and pleasant stay in Chandigarh. We look forward to your presence which is required to make this conference successful. WELCOME ONE AND ALL!

About Chandigarh

Chandigarh, the capital of the northern Indian states of Punjab and Haryana, was designed by the Swiss French modernist architect, Le Corbusier. His buildings include the Capital Complex with its High Court, Secretariat and Legislative Assembly, as well as the giant Open Hand Monument. The nearby Rock Garden is a park featuring sculptures made of stones, recycled ceramics and industrial relics.
